**SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:**

See Continuation Sheet

**Part III.**

It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
 It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner proposed entry of an examiner's amendment that would place this application in condition for allowance, provided that Applicant or their representative provide a statement of assurance that all of the requirements concerning the deposit of the claimed hybridoma are met in accordance with the rules set forth under 37 C.F.R. 1.801-1.809; Applicant's representatives authorized entry of the proposed amendment. Notably, the statement of assurance was filed December 21, 2007..
